HIGH-PERFORMANCE DOORS

chiohd.com

FEATURES & BENEFITS

- Impactable design reduces maintenance, repair costs, and decreases downtime.
- Powder coated breakaway bottom bar in safety yellow attached to a flexible curtain that releases from guides upon accidental impact.
- Tight sealing properties eliminates air and light infiltration which reduces energy costs.
- Limited Lifetime Warranty on our reinforced 1/4" thick rubber curtain.
- Galvanized [MR6830] or powder coated [MR6850] steel guides.
- Simple, efficient design with no hinges or cables provides reliable long lasting performance.
